

# Join the Chicago Chapter of the American Recorder Society!

## Chapter Information

Our chapter is open to anyone, regardless of musical training, who wants to cultivate an appreciation of the art, history and use of the recorder and related instruments. Our meetings, programs and publications help members to come together with others with similar interests. The Chicago chapter's program year begins September 1, but new members are welcome at any time! The Chicago chapter also collects and forwards annual dues to the *American Recorder Society*. ARS members are listed in the ARS directory, receive *The American Recorder* magazine (in print or electronically) and *The Recorder Reporter* which is published monthly, September to May, by the Chicago Chapter.

Support the music and the mission of your local chapter of the American Recorder Society!

Your dues provide funds for:

- music director fees
- location rental
- music printing
- liability insurance
